Dear Parade Entrant,

Thank you for entering the Festival of Flags Parade. Your line up number is_____. (Check the map on the back of this letter for the street location of your assigned area.) You are asked to be at your designated spot no later than 5:30PM on Wed. June 18, 2014. **Please note: this year's parade will be maintained within the downtown area and will not cross over the railroad tracks.**

You will find numbered markers along the street with the corresponding numbers for Parade Entrants. If you should need additional assistance there will be volunteers located on the corners of each block and in the Free Methodist Church parking lot, they will help you find your parade area. If your line-up number is located in the church parking lot, you are asked to enter from Davison Rd /Flint St. **NOT** Church St. **Please note this parking lot is for parade vehicles only.**

We ask that all entrants please follow these simple rules: Please be courteous and clean-up your staging area before the parade begins. It is requested from Chief Brandon that anyone handing out candy, flyers, etc. **MUST** have someone walk along your vehicle or float to hand these items out. **NO CANDY OR ANY OBJECTS CAN BE THROWN FROM VEHICLES** this will guarantee the safety of the crowd, especially the children. We require all Entrants be no closer then 3 ft of the curb at all times during the parade. **Please obey this safety precaution.**

Parade Announcing ~ There will be an Emcee announcing all the entrants as you are passing by the grand stand located on Main St & Second St. If you would like to promote your group or organization tell us a little bit about your parade entry and any other information that you would like to share with the crowd. Please email this information no later than June 16th to texdimi@yahoo.com

All entries shall be in good taste and not offensive as our parade is a family and community event. If an entrant is deemed unsuitable, they will be pulled from the parade line-up and will not be allowed to participate. Also, any animals must be restrained at all times and clean-up is your responsibility **No Exceptions!** Awards will be given for 1st, 2nd and 3rd places. ***Good Luck!***

We hope all of you have fun, as this is a great event for the spectators. Any questions please call the Chamber office 810-653-6266 ***and remember rain or shine there will be a Parade.***

Sincerely,
The Davison Area Chamber of Commerce Festival Committee

PUBLIC COMMENTS/ COMMUNICATIONS CONCERNING ITEMS ON THE AGENDA

CITY MANAGER'S REPORT

- The Council approved the DDA FY 2014-15 budget.
- Can ticket the business next to the church for the drainage problem to permanently resolve the issue.
- The Main street lights are working. The column is cracked on one, Mr. Hart will check on it.
- Mr. Hart will continue to work on the redevelopment liquor license.
- 125th Birthday Committee will have a calendar of events available. May 20th will be the special birthday party Council meeting.
- Mr. Hart had to get a new computer, so he will be giving his old one to the DDA for their use.
- Need to have DDA update Council at some point about the Façade Program and progress.
- The DDA office needs to be refurbished to look more professional.

MOTION 49-14 ACKNOWLEDGING THAT THE DRAFT BUDGET THAT WAS PRESENTED TO COUNCIL

Motioned by Ms. Bullock, and seconded by Mr. Snyder to acknowledge the FY 2014-15 draft budget that was presented to the City Council and accepted by Council. Motion carried.

UNFINISHED BUSINESS

FAÇADE GRANT PROGRAM

We received completed façade grant information from Larson's, Palace Jewelers, Elixer Clothing, Teed's and The Coin Shop. There will be another joint design/organization meeting on Friday, April 18th at 7:30 am at Living Grace Community Church.

DOWNTOWN FLAGS

MOTION 50-14 DOWNTOWN BANNER DESIGN CHANGES

Motion by Mr. Snyder and seconded by Ms. Bullock to approve the banner design with the change of the black border all the way to the edge and the star needs to be blue on the flag. The DDA needs to see another draft version. Motion carried.

MOTION 51-14 BANNER DEPOSIT APPROVAL FROM SIGNS DIRECT

Motion by Mr. Snyder and seconded by Mrs. Bullock to approve the deposit payment of the banners from Signs Direct for an amount not to exceed $533.00. Motion carried.

DDA LETTERHEAD

MAIN STREET PROPERTY

The bend tree was removed from the vacant lot on the corner of Main Street and Second Street.

NEW BUSINESS

MOTION 52-14 APPROVAL OF DESIGN SERVICES FROM H2A ARCHITECT FOR THE DAVISON OIL & GAS

Motioned by Mr. Snyder and seconded by Ms. Bullock to approve presenting a proposal to Jackie Hoist from H2A Architectural for a conceptual design for $750.00 for Davison Oil & Gas property. Going to ask her to do it 4 hours of volunteer work. Motion carried.

ORGANIZATION COMMITTEE

PROMOTIONS COMMITTEE (EVENTS COORDINATOR REPORT)

The written report was presented.

DESIGN COMMITTEE

ECONOMIC RESTRUCTURING COMMITTEE

Proposal for conceptual design for Mill Street Davison Oil & Gas Property.

ANY GENERAL PUBLIC COMMENTS ON ANY ITEM NOT ON THE AGENDA

A church in the Davison area has 15-17 acres to farm and raise food for needy families. The church plans to have a long-term presence in Davison and would like to get to know the other Churches in the area.

Questions were raised about the DDA Property and the City property on Main & Rising Streets joining together.

ANNOUCEMENTS

MOTION 53-14 AJOURNMENT

Motion by Mr. Look and seconded by Mrs. Wentzel to adjourn the meeting at 7:34 p.m. Motion carried.

Meeting adjourned at 5:15 pm
Motion made by Diane & 2nd by Rusty

SUBMITTED BY:

Travis Howell
Secretary

RECEIVED
APR 19 2013

CITY OF DAVISON
COMMITTEE MEMBER APPLICATION

Name: Carrie Baugher

Address: 502 S. Main St., Davison, MI 48423

How long have you lived at this address: 2 years

Telephone: Home None **Cell:** (810) 397-6102 **Business:** (810) 244-3272

Email Address: carrie.baugher@mcc.edu

Occupation: Community Technology Center Coordinator

Committee Applying For: Planning Commission and DDA

Will you sit on another committee if we have an opening? Yes X **No** _____

If so, what committees: Library Board and Senior Citizens Authority

Why do you want to serve and what do you feel you have to offer to the committee/authority/board for which you have indicated an interest:

I have extensive knowledge on how to increase access for all individuals by removing barriers. It is more cost effective to bring these ideas/perspective to the appropriate committees prior to a project's start rather than try to fix a barrier after a project's completion. People don't intentionally put up barriers to access. They have a great idea and want to implement it. I'm a "scenario what-if" problem solver. I am able to look at those great ideas, suggest low to no-cost adjustments, and let that great idea become an equal access, barrier-free awesome idea.

Please give a brief summary of your educational and work background as well as any previous civic or service club involvements. (Optional)

I have a master's degree in human resource management. Some of my current work activities include: working on Complete Streets initiatives, assist in coordination of CDBG ramp and home modification initiatives in the City of Flint, creation of alternative formats to meet ADA guidelines, engaging with local politicians regarding implementation of accessible initiatives, and consulting with seniors and people with disabilities on adapted equipment resources and funding options.
I'm a member of SAGE (Safe & Active Genesee for Everyone). I serve on their mini-grant review team. I've given applications for these grants to various departments of Davison including the planning commission, DCER, and Library. When we had excess money, I asked the Davison DDA to apply for a free bike rack from SAGE. They did and were granted one. I sit on the HealthPlus Tour de' Crim operational committee. During the City of Flags parade, I give out free bottled water to parade visitors and volunteers. My family runs a water station for the Pumpkin Run whose proceeds benefit the Davison Educational Foundation.

Please complete and return this form to:
City Clerk, Davison City Hall, 200 E Flint Street, Ste 2, Davison, MI 48423

This information will be provided to the City Council for use in making appointments to the various committees, boards, authorities. Completion of this form does not guarantee an appointment.

Signature: CBaugher **Date:** 4/19/13

Thank you for your interest in serving the City of Davison.

City of Davison
City Council Meeting
May 12, 2014
7:30 PM
City Council Chambers

SINCERELY TO:

MR. MICHAEL HART
CITY OF DAWSON CITY COUNCIL
STAFF + APPROPRIATE MEMBERS

PLEASE FORGIVE this handwritten Letter -
But it is very important for me to express my gratefulness at your care + Diligence in protecting our health insurance. While all change may be difficult, you have striven to provide a carefully protected plan, for us all.

When I look around me - I feel more than blessed to have insurance at all - much less Top of the Line coverage. I was extremely blessed to be employed at the City of Dawson, which allowed me to raise my children, as a single mother, without State Assistance because of the care and tolerance shown me and my family at the City of Dawson, (Retired Police Dispatch).

To everyone who works so hard for all of us, my sincere thanks.

Marcia L. Wise
(MARCIA L. WISE)

Enforcement.DateNextAction Between 05/01/2014 AND 06/01/2014

D. P. W.
Month of June 2014
Projects in progress

1. Enforcement of smoke test repairs (I&I)
Status: **The work continues**

2. Working on compliance of reliability study for DEQ
Status: Well 5 was removed from service by peerless and rebuilt based on the 7-10 year cycle it needed a new bowl it is all back together and back in service. The flow test was completed in May.

3. Tree removal within the city
Status: We will be making one more trip through the City to pick up brush as soon as we get the pot holes addressed. We have picked up the brush in the city and a lot of it in the park, we will not pick up anymore brush.

4. Work in the water department:
Status: We continue to replace meters on a daily basis as we respond to service calls. We are very busy and because of the harsh winter we have several valves to repair and road patches that will have to be fixed. **Lockwood meter has been replaced and the RPZ installed it is now up to date and in compliance.**

5. Parks
Status: **It has been very wet and mowing in the park has been very hard but we have it looking good now and are doing a few things to get it ready for the festival.**

6. Sidewalk repairs throughout the city
Status: Please forward any hazard you come across.

7. City Hall
Status: There is a group of volunteers that will be doing some work at city hall the week of the June 6th.

8. Asphalt Millings
Status: They are at the DPW yard.

9. Main Street Project
Status: I have been in contact with Wade Trim a few times trying to get Dean Holmes to work on getting grass to grow.

10. Equipment Repairs
Status: Tim continues to make sure things are running smoothly. He will be truly missed when he retires in 9 months. I have a new employee working with Tim trying to get him some training with Tim before he retires.

11. Snow Plowing
Status: N/A

12. MS4 (Storm Water) Permit Audit

Status: I am very happy to tell you that on March 26th I handed over to the clerk a completed MS-4 permit application that had over 250 pages in it. She had it signed by the city manager and put in the mail. There might be items we will hear back from the state that will have to be addressed, but it puts an end to getting the application filled out and to the state. We did this all in-house unlike many of our surrounding communities saving the city from paying an engineering firm up to $20,000. The city manager will be bringing the IDEP ordinance to you soon. **We have not received any questions from the DEQ**.

Note: These are a few of the things that are going on at the DPW. They will be ongoing and will change as to weather, emergencies, resident complaints and other needs.

CITY OF DAVISON

RESOLUTION 2014-22

WHEREAS, The Council has deemed it advisable to have Council Rules for its governance and

WHEREAS, The current Council Rules were adopted on March 22, 2010 and Council determined that the Rules were in need of updating and assigned the task to the Policy Committee and

WHEREAS, The Policy Committee has completed its work and has presented the revised Council Rules to Council for their approval;

NOW THEREFORE BE IT RESOLVED that the City of Davison acting through it duly elected Council does hereby approve the revised Council Rules.

Adopted this _____ day of _____, 2014

_____

For the Council: Tim Bishop, Mayor

_____

Andrea Schroeder, Clerk

Council Goals & Objectives
(FY 2014-2015)

1. Economic Development:

(A) ***Liquor License Redevelopment District:*** Create commercial district for the downtown area and especially Main Street. The district will encompass the current DDA district.

(B) ***Mill Street:*** Resolution on the potential closing of Mill Street for future redevelopment. Also, this addresses safety concerns with the ingress and especially egress onto M-15.

(C) ***Investigate the Establishment of a Technology/Industrial Park:***

a. Resolution of flight path issue
b. Property acquisition
c. Road construction

(D) ***The City Manager to develop a strategy to qualify the City of Davison as a Redevelopment Ready Community.***

(E) ***The City Manager to develop a business attraction and retention strategy:***

a. This corresponds with the Redevelopment Ready Community guidelines sec. 5.1 & 6.2

(F) ***The City Manager to identify potential grant sources and to communicate the information to the appropriate Authorities, Boards, Committees, and Organizations prior to grant submission deadlines.***

(G) ***The City Manager to investigate the feasibility of establishing an Economic Development Department, and/or Committee, and/or an Economic Development Director by July 1, 2014*** (this particular goal will be reasonably accomplished per the adoption of the FY 2014-2015 budget)

2. **Infrastructure:**

(A) ***Sidewalks:*** Continue work with Policy Committee to create walkability through the whole City of Davison and related issues of financing the same.

(B) ***Streets:*** Investigate changes with the ingress/egress of Bay Street and M-15. Coordination will be with Councilman Hammond, City Engineer Panduran, and City Manager Hart. Others will be involved as necessary.

(C) ***Park Committee:*** Establish an advisory park committee to facilitate the development or refurbishment of City Parks. This committee will be tasked by and advise Council as necessary.

3. **Partnership:** Work with the various groups such as the City's DDA and other City Authorities, Commissions, or Committees to provide support and assistance when needed. Also, work with our external Quad-Unit partners Davison Township, Richfield Township, and Davison Area Schools to strengthen the relationships and collaborate on shared services when able.

4. **Communication:** Both the City Council and City Manager will demonstrate effective leadership by reaching out as necessary both internally and externally to discuss issues and to ask questions on various ongoing matters.

Department Heads (supplemental):

(1) Clerk Andrea Schroeder:

(a) Change Council elections to even year November starting 2015 with newly elected(s).
(b) Purchase of mini P.C.s or tablets for council members.
(c) New Chairs for Council Chambers.
(d) Care in the use of social media and the City's image.

(2) DPW Superintendent Edward Brown:

(a) Completion and implementation of NPDES/MS4 storm water permit.

(b) Compliance per existing and future NPDES/MS4 permit and Jack N. Abernathy Park compost site. As part of this, redevelopment of the existing park property after the compost material is removed.
(c) Work on street maintenance and potential street reconstruction of Cambridge Drive and Church Street.

*(3) **Police Chief Bill Brandon:***

(a) Provide for a successful transition with Lieutenant Gilbert's recent retirement and the pending retirement of the Chief and hiring of a replacement.
(b) Connecting to hi-speed fiber for improved police department communications.

*(4) **Treasurer Julie Pray:***

(a) FY 2013/2014 audit with no material weaknesses.
(b) Budget amendments performed on a quarterly basis.
(c) Combining the payroll and fringe bank accounts into the general account as recommended by the City Auditor, Plante Moran.

CITY OF DAVISON
RESOLUTION 2014-23

RESOLUTION SUPPORTING LOCAL COMMUNITY STABIZATION AND PERSONAL PROPERTY TAX REFORM RAISING TAXES

At a regular meeting of the Davison City Council, held in the City Council Chambers at 200 E Flint Street, Davison, MI 48423 on the 9th day of June, 2014.

PRESENT:

ABSENT:

WHEREAS, local governments in Michigan have struggled with unstable funding needed to provide services; and

WHEREAS, Michigan businesses have struggled with an uncompetitive tax on business; and

WHEREAS, small businesses and manufacturers power out economy and are the largest contributor to job growth in Michigan; and

WHEREAS, no other in our region taxes business equipment the way Michigan does – and most of those states don't tax it at all, which makes Michigan significantly less competitive when it comes to job creation and business investment; and

WHEREAS, Michigan communities have struggled for years to pay for essential services like police, fire, ambulance, schools, and jails; and

WHEREAS, Michigan communities have relied on this shrinking source of Personal Property Tax revenue to provide other community service as well, including roads, transportation and libraries; and

WHEREAS, with bipartisan support the Michigan Legislature has voted to reform the antiquated personal property tax to help increase Michigan's competitiveness with other states and remove an onerous tax that will allow more business investment and create more jobs while providing a stable source for local communities; and

WHEREAS, this is not a constitutional amendment but the state constitution requires Michigan voters to approve certain changes in local taxes; and

WHEREAS, local governments have struggled with unstable funding needed to provide services and business have struggled with an uncompetitive tax on equipment for years; and

WHEREAS, the proposal will make Michigan more competitive, which will help local communities to attract more businesses and talent and create local jobs; and

WHEREAS, the proposal is supported by the Michigan Municipal League, the Michigan Townships Association, Michigan Association of Chiefs of Police, Michigan Association of Police Organizations, Michigan Community College Association, Michigan Farm Bureau, the Small Business Association of Michigan, Michigan Sheriffs Association, Michigan Chamber of Commerce, National Association of Independent Businesses and the Michigan manufacturers Association, among others.

NOW THEREFORE, BE IT RESOLVED, the Davison City Council, hereby expresses its strong support for the proposal to eliminate the unfair double tax and strengthens our communities. We urge our residents to vote YES on this proposal on August 5, 2014.

June 9, 2014

690.01 FIREWORKS.

(a) Definition. As used in this section, "fireworks" means a device made from explosive or flammable compositions used primarily for the purposes of producing a visible display or audible effect, or both, by combustion, deflagration or detonation. ~~"Fireworks" includes, but is not limited to, toy torpedoes, firecrackers or salutes, airplane flares, illuminating projectiles, incendiary projectiles, incendiary grenades, smoke projectiles or bombs containing expelling charges but without bursting charges, flash powders in inner units, flash sheets in interior packages, flash powder or spreader cartridges, toy smoke devices, toy caps containing not more than .25 grains of explosive mixture, toy propellant devices, cigarette loads, trick matches, trick noise makers, smoke candles, smoke pots, smoke grenades, smoke signals and other similar devices.~~

(b) ~~Declaration of Nuisance. The sale, possession and distribution of fireworks are hereby declared to be public nuisances because of the noise, danger and disruption caused thereby and it is hereby declared to be in the best interests of the public health, welfare and safety to regulate fireworks.~~

(b) Hours of use. The hours of use of fireworks are not restricted the day before, the day of, or the day after a national holiday. During all other days, the ignition, discharge, or use of consumer fireworks between the hours of 1:00 a.m. and 8:00 a.m. is prohibited.

~~(c) Sale and Possession Prohibited. No person shall offer for sale, expose for sale, sell at wholesale or retail, keep with intent to sell at wholesale or retail, possess, give, furnish, transport, use or distribute at wholesale or retail, fireworks, including, but not limited to, any of the following:~~

~~(1) All the types and kinds of fireworks set forth in subsection (a) hereof as well as other types and kinds of fireworks of similar and like construction; and~~

~~(2) Fireworks containing an explosive or inflammable compound, or a tablet or other device commonly used and sold as fireworks, containing nitrates, chlorates, oxalates, sulfides of lead, barium, antimony, arsenic, mercury, nitroglycerine, phosphorus or a compound containing these or other modern explosives.~~

~~(d) Exclusion. The sale, possession or distribution at wholesale or retail of sparklers and rolled caps containing not more than .25 grains of explosive mixture is excluded from the prohibition set forth in subsection (c) hereof.~~
(Ord. 78-4. Passed 6-19-78.)

This ordinance shall be published in the same manner as other ordinances of the City of Davison, Pursuant to State Law MCL117.3 (k). No other publication of the Codified Ordinances, hereby approved, adopted, and enacted is necessary.

This ordinance shall take effect ten (10) days after publication in accordance with the City of Davison Charter.

Adopted this _____day of _____, 2014, by the City Council of the City of Davison.

_____
Tim Bishop, Mayor

_____
Andrea L. Schroeder, City Clerk

I certify that the above ordinance was published in the Davison Index on the _____day of _____, 2014, A.D.

1610.01 1990 EDITION ADOPTED.

Pursuant to Section 10.3 of the City Charter and M.C.L. 117.3(k), that certain document marked and designated as The BOCA National Fire Prevention Code/1990 (Eighth Edition), prepared and promulgated by Building Officials and Code Administrators International, Inc., is hereby adopted by reference as if the same were fully set forth herein, save and except such portions as may be hereinafter amended or deleted.

The purpose of the BOCA National Fire Prevention Code is to prescribe rules and regulations governing conditions hazardous to life and property from fire or explosion and to provide for inspections and regulations relating thereto.
(Ord. 92-2. Passed 2-10-92.)

1610.02 FILE AND DISTRIBUTION COPIES.

Printed copies of the BOCA National Fire Prevention Code, as adopted in Section 1610.01, shall be kept in the office of the City Clerk, available for inspection by, and distribution to, the public at all times.
(Ord. 92-2. Passed 2-10-92.)

1610.03 CONFLICT OF LAWS.

In the event of a conflict or inconsistency between any of the provisions of the BOCA National Fire Prevention Code, as adopted in Section 1610.01, and a provision of any local ordinance, resolution, rule or regulation, the local ordinance, resolution, rule or regulation shall control. In the event of a conflict or inconsistency between any of the provisions of the BOCA National Fire Prevention Code, as aforesaid, and a provision of State law or regulation, the provision of State law or regulation shall control. In the event of a conflict or inconsistency between any of the provisions of the BOCA National Fire Prevention Code, as aforesaid, and a provision of any other technical code adopted by reference by the City, the higher or stricter standard shall control.

1610.04 AMENDMENTS.

The BOCA National Fire Prevention Code, as adopted in Section 1610.01, is hereby amended as follows:

BOCA Section F-100.1 Title: (Amended)

The regulations set forth herein shall be known as the Fire Prevention Code of Davison, Michigan, and are herein referred to as such or as "this Code."

BOCA Section F-101.2 Exemptions: (Deleted)

BOCA Section F-101.6 Application of building code: (Amended)

The planning, design and construction of new buildings and structures to provide the necessary egress facilities, fire protection and built-in fire protection equipment shall be controlled by the building code, State Fire Safety Board rules or other applicable statutes, whichever provides the greatest safety. Any alteration, addition or change in buildings required by the provisions of this Code shall be made in accordance with the requirements for the construction of new buildings and structures.

BOCA Section F-104.1 Enforcement: (Amended)

The enforcement of this Code is authorized by Act No. 207 of the Public Acts of 1941, as amended.

BOCA Section F-105.6 Rules and regulations: (Amended)

The City Manager or his or her designee shall have authority as may be necessary in the interest of public safety, health, and general welfare to interpret and implement the provisions of this Code, to secure the intent thereof, and to designate requirements applicable because of climatic or other conditions, but an interpretation shall not have the effect of waiving any fire safety requirements specifically provided in this Code, State Fire Safety Board rules or other applicable statutes. An interpretation shall not violate accepted engineering practice

involving public safety.

2000 Replacement

BOCA Section F-106.0 PERMITS: (Deleted)

BOCA Section F-108.1 Investigation of fires: (Amended)

The City Manager or his or her designee may investigate, or cause to be investigated, every fire or explosion occurring in the City.

BOCA Section F-109.3 Unsafe buildings: (Amended)

All buildings and structures, or parts thereof, that are or shall hereafter become unsafe or deficient in adequate exit facilities, constitute a fire hazard, are otherwise dangerous to human life or the public welfare, are used for illegal or improper purposes, are illegally or improperly occupied or maintained, or which have sustained structural damage by reason of fire, explosion or natural disaster shall be deemed unsafe. A vacant building, or portion of a building, unguarded or open at door or window, shall be deemed a fire hazard and shall have that portion of the building declared an unsafe area.

BOCA Section F-111.1 Notice of violation: (Deleted)

BOCA Section F-111.1.1 Service of notice: (Deleted)

BOCA Section F-111.2 Failure to correct violations: (Deleted)

BOCA Section F-111.3 Penalty for violations: (Deleted)

BOCA Section F-111.4 Correction of violation required: (Deleted)

BOCA Section F-112.0 MEANS OF APPEAL: (Deleted)

BOCA Section F-201.0 GENERAL DEFINITIONS:

Boiling point: (Amended) The temperature at which the vapor pressure of a liquid equals the atmospheric pressure of 14.7 psig or 760 mm of mercury. Where an accurate boiling point is unavailable for the material in question, or for mixtures which do not have a constant boiling point, for purposes of this classification, the 10 percent of a distillation performed in accordance with ASTM D86, may be used as the boiling point of the liquid.

Code official: (Amended) A person authorized to enforce rules promulgated under Act No. 207 of the Public Acts of 1941, as amended.

Fire alarm system: (Amended) A functionally related group of devices which, when either automatically or manually activated, sounds audio or visual warning devices on or off the protected premises.

Residual pressure: (Amended) Pressure remaining in a system while water is being discharged from outlets.

BOCA Section F-301.3 Permit required: (Deleted)

BOCA Section F-301.4.2 Bonfire material: (Deleted)

BOCA Section F-303.2 Permit required: (Deleted)

BOCA Section F-305.2 Permit required: (Deleted)

BOCA Section F-308.2.1 Unauthorized seal removal: (Amended)

It shall be deemed a violation of this Code for any person, user, firm or agent to continue the use of any device or appliance which has been sealed or ordered sealed under Section F-308.2 of this Code, unless written authority to remove such seal is given by the City Manager or his or her designee. Removing or breaking the seal shall be deemed a violation of this Code.

BOCA Section F-312.4 Removal of signs prohibited: (Amended)

It shall be a violation of this Code for any person to obscure, remove, deface, mutilate or destroy a posted "no smoking" sign.

BOCA Section F-312.5 Compliance with "No Smoking" signs: (Amended)

It shall be a violation of this Code for any person to smoke, throw or deposit any lighted or smoldering substance in any place where "no smoking" signs are posted.

BOCA Section F-314.9 Circuit protection devices: (Addition)

Electrical box covers, switch panels and other protective devices shall be maintained in place unless the circuit is actually being worked on.

BOCA Section F-316.2 Notification required: (Amended)

A person shall not store, keep or have on hand more than 25 pounds of nitrate motion picture film without first notifying the City Manager or his or her designee of such activity.

A person shall not sell, lease or otherwise dispose of any nitrate motion picture film to any person who has not notified the City Manager or his or her designee of the anticipated activity.

BOCA Section F-317.2 Notification required: (Amended)

All retailers, jobbers and wholesalers storing or handling more than 25 pounds of cellulose nitrate (pyroxylin) plastics shall notify the City Manager or his or her designee.

Notification of the City Manager or his or her designee shall also be made for the manufacture of articles of cellulose nitrate (pyroxylin) plastics, including the use of cellulose nitrate (pyroxylin) plastics in the manufacture or assembling of other articles.

BOCA Section F-319.0 FIRE RETARDANT COATINGS: (Addition)

BOCA Section F-319.1 Maintenance of protection: (Addition)

Fire retardant coatings shall be maintained so as to retain the effectiveness of the treatment under the service conditions encountered in actual use.

BOCA Section F-500.1 Scope: (Amended)

The provisions of this article shall govern the operation, maintenance and testing of all new and existing fire protection systems, devices, units, and fire safety equipment in all occupancies as herein provided. Such systems shall comply with the maintenance provisions of NFiPA 13, 13A, 14, 15, 20, 22, 24, 71, 72A, 72B, 72C, 72D, 72E, 231, 231C, 231D, and BOCA 100, where provisions of this article do not specifically cover conditions and operations.

BOCA Section F-500.2 Installations: (Amended)

Before any alarm, detection or fire suppression system is installed, enlarged or extended, plans and specifications shall be submitted to the Building Official. The City Manager or his or her designee shall be notified and may request plans and specifications.

BOCA Section F-500.5 Signs: (Amended)

All Fire Authority connections and fire pump test connections shall be properly marked with a sign indicating their purpose and shall be maintained in a manner and location satisfactory to the City Manager or his or her designee. A metal sign with raised letters at least one inch (2.54cm) in size shall be mounted on all Fire Authority connections serving fire sprinklers, standpipes or fire pump connections. Such signs shall read: "Automatic sprinklers," "Standpipes" or "Test connection," as applicable.

BOCA Section F-500.7 Tampering: (Addition)

A person shall not obstruct, remove, tamper with or otherwise disturb any fire protection device or system required to be installed or maintained under the provisions of this Code, except as may be necessary for appropriate maintenance or use in an emergency.

BOCA Section F-502.3 Dry standpipe stations: (Amended)

All fire hose stations for dry standpipe fire lines shall be marked with a permanently attached noncombustible sign which reads "Dry Standpipe-Fire Authority Use Only" and which is mounted or painted on or near the fire hose station. Sign letters shall be not less than two inches (5.08 cm) high and shall be in a color which contrasts with the background color.

BOCA Section F-514.4 Automatic controllers: (Amended)

Pumps that supply fire protection systems or devices shall be capable of self-activating operation by their own mechanisms when actuated by some impersonal influence, such as a change in current strength, pressure, temperature or mechanical configuration. Units shall be capable of self-starting. All pressure-actuated control switches which respond to water pressures shall be protected from accidental changes in pressure settings by the use of locking bars or other protective devices.

BOCA Section F-517.4.1 General: (Amended)

All hand-operated portable fire extinguishing equipment shall be selected, distributed, inspected, maintained, tested and recharged in accordance with NFiPA 10.

BOCA Section F-518.0 RESIDENTIAL SMOKE DETECTORS: (Addition)

BOCA Section F-518.1 General: (Addition)

All existing residential occupancies, as defined by the building code, shall be provided with a minimum of one approved smoke detector in the sleeping area, guest room or suite of a hotel, motel, lodging house, boarding house or residential multifamily dwelling unit. Each detector shall be installed in accordance with NFiPA 72E or NFiPA 74.When actuated, the smoke detector shall provide an alarm suitable to warn the occupants within the individual room or unit.

BOCA Section F-518.2 Exceptions: (Addition)

One-family and two-family dwelling units shall be exempt from these requirements for existing buildings.

BOCA Section F-518.3 Tampering: (Addition)

Anyone tampering or interfering with the effectiveness of a smoke detector shall be in violation of this Code.

BOCA Section F-601.4 Exterior egress: (Amended)

All exterior stairways and fire escapes shall be kept free of snow and ice. Any fire escape or exterior stairway found to be in a state of deterioration or determined to be unsafe by the City Manager or his or her designee shall be repaired immediately. The City Manager or his or her designee may require a load test of any fire escape before it is returned to service.

BOCA Section F-604.1 Exit signs: (Amended)

All exit signs shall be maintained in a clean and legible condition and shall be clearly illuminated at all times that the building is occupied. Supplemental internally illuminated directional signs, when necessary, shall be installed indicating the direction and way of egress.

BOCA Section F-702.0 EDUCATIONAL OCCUPANCIES: (Addition)

Fire drills in educational occupancies shall comply with the requirements of Act No. 207 of the Public Acts of 1941, as amended.

BOCA Section F-706.1 General: (Amended)

The owner or other person having charge of buildings identified as high-rise buildings or use group A, B, F, H, M, S, R1 or R2 in the building code shall be required to prepare and submit for review and approval of the City Manager or his or her designee a fire safety plan and evacuation procedure as set forth in this section.

BOCA Section F-706.4 Staff training requirements: (Addition)

It shall be the responsibility of the owner or agent of high-rise or use group A or R-1 buildings to train staff personnel to effectively implement the fire safety plan and evacuation procedure.

BOCA Section F-707.0 ALARM RECEIPT: (Addition)

BOCA Section F-707.1 Action to be taken upon receipt of fire alarm: (Addition)

When an alarm of fire is sounded, the City Manager or his or her designee shall be notified and the evacuation plan implemented immediately.

BOCA Section F-707.2 Fires to be reported: (Addition)

The person having charge of any facility subject to this Code shall make certain that the City Manager or his or her designee has been notified of any fire resulting in loss of life or injury or causing destruction or damage to property.

BOCA Section F-800.2 Notification required: (Amended)

Before initiating operation of an airport, heliport, helistop or aircraft hangar, the City Manager or his or her designee and any other agency having jurisdiction shall be notified.

BOCA Section F-900.1.1 Spray application: (Amended)

"Spray application" means the application of flammable or combustible materials when applied as a spray by compressed air, airless or hydraulic atomization, steam, electrostatic methods or by any other means in continuous or intermittent processes.

BOCA Section F-900.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of any spraying or dipping operations included within the scope of this article utilizing more than 10 gallons of flammable or combustible liquids on any working day.

BOCA Section F-902.1 General: (Amended)

Any area in which dangerous quantities of flammable vapors or combustible vapors, mists, residues, dusts or deposits are present due to the operation of spraying processes shall be considered a spraying area. The City Manager or his or her designee may define the limits of the spraying area in any specific case. A spraying area shall include all of the following:

(a) The interior of spray booths;

(b) The interior of ducts exhausting from spraying processes; and

(c) Any area in the direct path of spraying operations.

The spraying area in the vicinity of spraying operations will necessarily vary with the design and arrangement of equipment and method of operation. When spraying operations are strictly confined to predetermined spaces which are provided with adequate and reliable ventilation, such as a properly constructed spray booth, the spraying area will ordinarily not extend beyond the booth enclosure. When, however, spraying operations are not confined to adequately ventilated spaces, the spraying area may extend throughout the entire room containing spraying operations.

EDITOR'S NOTE: BECAUSE OF THE 1993 UPDATING AND REVISION OF THESE CODIFIED ORDINANCES, THE NEXT NUMBERED PAGE IS PAGE 13.

BOCA Section F-902.3.2 Floor: (Amended)

The floor construction of spray areas, if combustible, shall be covered by noncombustible material. All spraying areas shall be kept free from the accumulation of deposits of combustible residues. Combustible coverings, such as thin paper or plastic, and strippable coatings may be used to facilitate cleaning operations in spraying areas. If residue accumulates to excess in booths, ducts, duct discharge points or other spraying areas, then all spraying operations shall be discontinued until conditions are corrected.

BOCA Section F-902.3.3 Plates: (Amended)

If installed, baffle plates shall be of noncombustible material, readily removable or accessible on both sides for cleaning and designed to promote an even flow of air through the booth and to prevent the deposit of overspray before it enters the exhaust duct.

BOCA Section F-902.3.4 Frontal area requirements: (Deleted)

BOCA Section F-902.3.6 Accessibility: (Amended)

Spray booths shall be installed so that all portions are readily accessible for cleaning. A clear space of not less than three feet on all sides shall be kept free from storage or combustible construction. This does not preclude the installation of a spray booth against a partition or wall having a one-hour fire resistance rating if the booth can be maintained and cleaned.

BOCA Section F-902.3.7 Illumination: (Amended)

When spraying areas are illuminated through glass panels or other transparent materials, only fixed lighting units shall be used as a source of illumination. Panels shall effectively isolate the spraying area from the area in which the lighting unit is located and shall be of noncombustible material of such nature or so protected that breakage will be unlikely. Panels shall be so arranged that normal accumulations of residue on the exposed surface of the panel will not be raised to a dangerous temperature by radiation or conduction from the source of illumination. A satisfactory and practical method of lighting is the use of 1/4-inch thick wired or tempered glass panels in the top or sides of spray booths with electrical light fixtures outside the booth, hence not in the direct path of spray.

BOCA Section F-902.5 Sources of ignition: (Amended)

There shall be no open flame, spark-producing equipment, or exposed surfaces exceeding the ignition temperature of the material being sprayed in the following areas, except as specifically permitted in Sections F-902.10 and F-904.0. Further, there shall be no equipment or processes that may produce sparks or particles of hot metal located above or adjacent to the following areas, unless means are provided to prevent the sparks or particles of hot metal from entering these areas:

(a) A spraying area as defined in Section F-902.1; and

(b) An area adjacent to a spraying area requiring electrical equipment conforming to the provisions of the National Electrical Code, NFiPA 70, for

division 2 locations, unless separated therefrom by a partition extending at least to the boundary of the division 2 location.

BOCA Section F-902.7.1 Quantities: (Amended)

Where the quantity of liquid in five-gallon and smaller containers, other than original sealed containers, exceeds a total of 10 gallons, the liquid shall be stored in accordance with Article 28.

BOCA Section F-902.7.2 Flammable liquid containers: (Amended)

Closed containers, approved portable tanks, approved safety cans or a properly arranged system of piping shall be used for transporting flammable or combustible liquids. Open or glass containers shall not be used.

BOCA Section F-902.7.4 Container piping: (Amended)

All containers or piping to which is attached a hose or flexible connection shall be provided with a shutoff valve at the connection. Such valves shall be kept shut when spraying operations are not being conducted, except when a circulating system is used and it is provided with an automatically operated anti-runaway control.

BOCA Section F-902.7.6 Pump requirements: (Amended)

If flammable or combustible liquids are supplied to spray nozzles by positive discharge pumps, means shall be provided to prevent the discharge pressure from exceeding the safe operating pressure of the system. Any discharge shall be to a safe location.

BOCA Section F-902.9 Operation and maintenance: (Amended)

All spraying areas shall be kept from the accumulation of deposits of combustible residues. Combustible coverings, such as thin paper or plastic, and strippable coatings may be used to facilitate cleaning operations in spraying areas. If residue accumulates to excess in booths, ducts, duct discharge points or other spraying areas, then all spraying operations shall be discontinued until conditions are corrected.

BOCA Section F-902.9.3 Cleaning solvent: (Amended)

Solvents for cleaning operations shall have flash points above 100 degrees Fahrenheit. However, for cleaning spray nozzles and auxiliary equipment, solvents having flash points not less than those normally used in spray operations may be used. Cleaning operations using flammable or combustible solvents shall be conducted inside spray booths with the ventilating equipment operated during cleaning or shall be conducted in other adequately ventilated locations complying with the requirements of NFiPA 33.

BOCA Section F-904.5 Guards: (Amended)

Adequate booths, fencing, railings or guards shall be placed about the equipment so that it is either by their location or character, or both, that a safe isolation of the process is maintained from plant storage or personnel.

BOCA Section F-1000.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of bowling pin refinishing and bowling lane resurfacing operations involving the use and application of flammable liquids or materials.

BOCA Section F-1100.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of any fruit ripening process.

BOCA Section F-1101.1 General: (Amended)

The layout, arrangement and construction of buildings and structures in which the process of ripening or coloring of crops is conducted shall comply with the applicable requirements of the building code for the appropriate use group classification and shall be provided with fire protection and fire extinguishing equipment as required by that code. Buildings and structures and their service equipment shall be maintained in safe and sound condition as required by this Code.

BOCA Section F-1101.2 Ethylene: (Amended)

(1) The location of buildings in which crop ripening or coloring processes utilizing gas containers of ethylene are conducted shall be approved by the City Manager or his or her designee.

(2) The method for introducing ethylene shall provide positive control. The ethylene shall be measured so that the quantity introduced does not exceed one part ethylene to 1,000 parts of air.

(3) Containers storing ethylene gas shall be built in an approved manner.

(4) Ethylene gas containers other than those connected for use shall be stored outside of the building or in a special building, except that not more than two portable department of transportation (DOT) containers not connected for use may be stored inside of the building premises. Such inside rooms or portions of buildings used for storage of these containers shall be constructed in accordance with Section F-2206.4.

(5) Ethylene piping shall be of steel pipe. Flexible connectors and hose, when used, shall be an approved type. Tubing shall be of brass or copper with not less than 0.049 inch (1.24 mm) wall thickness.

BOCA Section F-1101.3 Electrical equipment: (Amended)

Electrical wiring and equipment shall be installed as specified in NFiPA 70. Artificial lighting shall be by electricity only.

BOCA Section F-1101.4 Heating: (Amended)

(1) Heating of ripening and coloring rooms shall be by indirect means with low pressure steam, hot water, warm air, approved electric heaters, approved gas or kerosene heaters. Gas and kerosene heaters shall have sealed combustion chambers.

(2) Steam and hot water pipes and radiators shall have a clearance of at least one inch (2.54 cm) to combustible material.

(3) Gas heaters and their vents shall be installed in an approved manner. Gas heaters shall be equipped with an automatic pilot device to shut off the gas supply when the flame is extinguished.

(4) Burners for gas or kerosene heaters shall be installed so that air for combustion is taken from outside the ripening or coloring room and so that the products of combustion are discharged outside the building in an approved manner.

(5) Electric heaters shall be of a type not having an exposed surface at a temperature higher than 800 degrees Fahrenheit (426.67 degrees Celsius) and with thermostatic elements which do not produce sparks. They shall be of a type approved for use in hazardous locations.

(6) A protective guard shall be provided around any heater to prevent the possibility of its being knocked over by other equipment such as vehicles or lift trucks.

BOCA Section F-1200.2 Certificate required: (Amended)

A person shall not engage in the business of dry cleaning without first obtaining the certificate required by Act No. 207 of the Public Acts of 1941, as amended. A change shall not be made in the solvent used in the equipment to a more hazardous class, unless permission for such change shall first have been obtained from the City Manager or his or her designee.

BOCA Section F-1300.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of the operation of any grain bleacher or elevator; flour, starch, or feed mill; malt house; wood flour manufacturing plant; or plant pulverizing aluminum, coal, cocoa, magnesium, spices, sugar, or other material producing dust as defined in the scope of this article.

BOCA Section F-1400.2 Notification required: (Amended)

A person shall not perform any fumigation or thermal insecticidal fogging without first notifying the City Manager or his or her designee.

BOCA Section F-1500.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of any facility or operation in which more than 100,000 board feet (236 m3) of lumber is to be stored or used.

BOCA Section F-1501.2.2 Fences: (Amended)

Permanent lumber storage which requires notification of the City Manager or his or her designee under Section F-1500.2 shall be surrounded with a suitable fence not less than six feet (1.83 m) high, unless storage is within a building.

BOCA Section F-1501.7 Fire extinguishing equipment: (Amended)

An approved water supply arrangement shall be provided for open storage yards. Portable fire extinguishing equipment suitable for the fire hazard involved shall be provided at convenient, conspicuous, accessible locations in open yards. When used, approved class A portable fire extinguishers, properly protected against freezing where necessary, shall be provided so that the travel distance to the nearest unit does not exceed 75 feet. In buildings, fire protection equipment shall be provided as required by the building code.

BOCA Section F-1700.2 Certificate required: (Amended)

A place of assembly, as defined in Section F-1700.3 shall not be maintained, operated or used as such without a certificate as provided for by Act No. 207 of the Public Acts of 1941, as amended.

BOCA Section F-1700.4 Posting of maximum occupant load: (Amended)

Each place of assembly shall have its maximum occupant load posted in compliance with Act No. 207 of the Public Acts of 1941, as amended. The number of occupants permitted shall be determined in accordance with the provisions of the building code except that three square feet of net floor area for standing space in an assembly occupancy shall only be allowed in an approved waiting area. Each room constituting a place of assembly shall have the occupant load of the room posted in a conspicuous place, near the main exit from the room.

BOCA Section F-1703.1 General: (Amended)

The operator or the person in charge of operation or use of any place of assembly shall check egress facilities, before such place of assembly is occupied for any use, to determine compliance with the provisions of this section. If such inspection reveals that any element of the required means of egress is obstructed, inaccessible, locked, fastened or otherwise unsuited for immediate use, admittance to the place of assembly shall not be permitted until necessary corrective action has been completed.

BOCA Section F-1703.6 Announcements: (Addition)

As may be required by the City Manager or his or her designee, not more than 10 minutes prior to the scheduled commencement of any activity, event, performance, show, meeting, function or other occasion for which persons will gather at a place of assembly with a capacity of 50 or more people, the owner or his or her authorized agent shall orally notify all attendees concerning the location of the exits to be used in case of fire or other emergency, and shall also notify all attendees of smoking regulations.

BOCA Section F-1900.2 Inspections: (Amended)

The entire tent or air-supported structure system may be inspected at regular intervals to assure that the installation is maintained in proper condition.

BOCA Section F-1900.6 Notification required: (Addition)

A tent or air-supported structure covering an area in excess of 120 square feet (11.16 m2), including all connecting areas or spaces with a common means of egress or entrance, and used or intended to be used for a gathering of 10 or more persons, shall not be erected, operated or maintained for any purpose without prior notification of the Building Inspector and the City Manager or his or her designee. Tents used exclusively for recreational camping purposes shall be exempt from the requirements of this section. Special permits required by the building code shall be secured from the Building Official.

BOCA Section F-1900.7 Plans and specifications: (Addition)

Notification shall include the submission of drawings for each installation and use, including specifications indicating the location of the tent or air-supported structure on the site and adequate details regarding the location of egress facilities, seating capacity, construction and all mechanical and electrical equipment.

BOCA Section F-2000.2 Permit required: (Amended)

The City Manager or his or her designee shall require a permit to be obtained by any person who desires to conduct or maintain any wrecking yard, junk yard or waste material handling plant or operation.

BOCA Section F-2100.2 Notification required: (Amended)

Notification shall be made to the City Manager or his or her designee by each company, corporation, copartnership or owner-operator performing welding or cutting operations, except as provided in Section F-2100.2.1. This notification shall not be required for each welding or cutting job location. The company, corporation, copartnership or owner-operator shall notify the City Manager or his or her designee in advance where such work is taking place, except where such work is done in response to an emergency call that does not allow time for the City Manager to be notified in advance of the work.

BOCA Section F-2105.1 Notification required for storage: (Amended)

A person shall not store or keep calcium carbide in excess of 200 pounds without first notifying the City Manager or his or her designee.

BOCA Section F-2106.1 Notification required: (Amended)

A person shall not operate an acetylene generator having a carbide capacity exceeding five pounds without first notifying the City Manager or his or her designee.

BOCA Section F-2300.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of the storage and handling of combustible fibers in quantities in excess of 100 cubic feet.

BOCA Section F-2301.4 Agricultural products: (Amended)

A person shall not store hay, straw or similar agricultural products adjacent to buildings or combustible material unless a clear horizontal distance equal to the height of the pile is maintained between such storage and combustible material and buildings. Storage shall be limited to stacks of 100 tons each. Unlimited quantities of hay, straw and other agricultural products may be stored in or near farm buildings located outside closely built areas. Notification of the City Manager or his or her designee shall not be required for agricultural storage.

BOCA Section F-2400.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of the storage, handling or use at normal temperature and pressure of more than 2,000 cubic feet of flammable compressed gas or 6,000 cubic feet of nonflammable compressed gas.

BOCA Section F-2401.2 Storage containers: (Amended)

Cylinders and pressure vessels shall be designed, constructed, tested and maintained in accordance with ANSI K61.1, DOT 49 CFR or NFiPA 50, 50a, 56a, 56b, 56d, 56e or 56f.

BOCA Section F-2500.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of any of the following:

(a) The production, storage or sale of cryogenic liquids;

(b) The storage of nonflammable, nontoxic cryogenic liquids in quantities greater than 500 gallons; or

(c) The storage or use of more than 10 gallons of liquid oxygen, flammable cryogenic liquids or cryogenic oxidizers.

BOCA Section F-2502.1 General: (Amended)

The City Manager or his or her designee shall be notified of locations which are intended for the dispensing of flammable cryogenic liquids, liquefied oxygen or liquid oxidizers. Water lines and hose shall be provided for cleaning the area and melting.

BOCA Section F-2600.1 Scope: (Amended)

The equipment, processes and operations involving the manufacture, possession, storage, sale, transportation and use of explosives and blasting agents shall comply with Act No. 202 of the Public Acts of 1970, as amended, being Section 29.41 et seq. of the Michigan Compiled Laws, and the applicable requirements of this Code and shall be maintained in accordance with NFiPA 495 and DOT 49 CFR, except as herein specifically exempted or where provisions of this article do not specifically cover conditions and operations.

BOCA Section F-2600.2 Permit required: (Amended)

A permit shall be obtained in compliance with Act No. 202 of the Public Acts of 1970, as amended, being Section 29.41 et seq. of the Michigan Compiled Laws.

BOCA Section F-2600.2.1 Prohibited permits: (Deleted)

~~BOCA Section F-2700.1 General: (Amended)~~

~~Fireworks shall comply with Act No. 328 of the Public Acts of 1931, as amended, being Section 750.243a et seq. of the Michigan Compiled Laws.~~

BOCA Section F-2700.2 and remainder of ARTICLE 27: (Deleted)

BOCA Section F-2800.2 General: (Amended)

Flammable and combustible liquids shall comply with R 28.601 to R 28.740 of the Michigan Administrative Code, as amended.

BOCA Section F-2800.3 and remainder of ARTICLE 28: (Deleted)

BOCA Section F-2900.2 Notification required: (Amended)

(1) The City Manager or his or her designee shall be notified of the storage or handling of more than 55 gallons of corrosive liquids, more than 500 pounds of oxidizing materials, more than 10 pounds of organic peroxides, more than 500 pounds of nitromethane, 1,000 pounds or more of ammonium nitrate, ammonium nitrate fertilizers, and fertilizer mixtures covered in Section F-2904.6 or any amount of highly toxic material or poisonous gas.

(2) The City Manager or his or her designee shall also be notified of the storage or handling or any installation of more than one microcurie of radium not contained in a sealed source, more than one millicurie of radium or other radioactive material in a sealed source or sources or any amount of radioactive material for which a specific license from the United States Atomic Energy Commission (AEC) is required in accordance with nationally recognized good practice.

BOCA Section F-3000.1 General: (Amended)

Liquefied petroleum gases shall comply with R 28.3801 to R 28.3819 of the Michigan Administrative Code, as amended.

BOCA Section F-3000.2 and remainder of ARTICLE 30: (Deleted)

BOCA Section F-3100.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of the melting, casting, heat treating, machining or grinding of more than 10 pounds of magnesium per working day.

BOCA Section F-3200.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of the manufacture or storage of matches exceeding 25 cases in aggregate.

BOCA Section F-3300.2 Notification required: (Amended)

The City Manager or his or her designee shall be notified of any organic coating manufacturing operation making more than one gallon of an organic coating on any working day.

BOCA Section F-3301.5 Smoking: (Amended)

Smoking shall be prohibited except in designated safe areas. "No smoking" signs with lettering of approved size shall be conspicuously posted in all areas where smoking is not permitted. The City Manager or his or her designee may designate such areas.

BOCA Section F-3306.1 Nitrocellulose quantity: (Amended)

The amount of nitrocellulose brought into the operating area shall not exceed that required for a work shift. Any nitrocellulose which may be spilled on the floor or elsewhere shall be promptly swept up, put into a pail of water and removed at the end of the day or shift and disposed of in a proper manner.

BOCA Section F-3308.4.2 Spills: (Amended)

Spilled nitrocellulose shall be promptly wetted with water and disposed of in a proper manner.

(Ord. 88-3. Passed 3-28-88; Ord. 92-2. Passed 2-12-92.)

1610.99 PENALTY.

(EDITOR'S NOTE: See Section 202.99 for general Code penalty if no specific penalty is provided.)

This ordinance shall be published in the same manner as other ordinances of the City of Davison, Pursuant to State Law MCL117.3 (k). No other publication of the Codified Ordinances, hereby approved, adopted, and enacted is necessary.

This ordinance shall take effect ten (10) days after publication in accordance with the City of Davison Charter.

Model Illicit Discharge and Connection Storm-water Ordinance for IDEP provisions

ORDINANCE N'_. 2014-06

SECTION 1. PURPOSE/INTENT.

The purpose of this ordinance is to provide for the health, safety, and general welfare of the citizens of The City of Davison through the regulation of non-storm water discharges to the storm drainage system to the maximum extent practicable as required by federal and state law. This ordinance establishes methods for controlling the introduction of pollutants into the municipal separate storm sewer system (MS4) in order to comply with requirements of the National Pollutant Discharge Elimination System (NPDES) permit process. The objectives of this ordinance are:

(1) To regulate the contribution of pollutants to the municipal separate storm sewer system (MS4) by storm-water discharges by any user

(2) To prohibit Illicit Connections and Discharges to the municipal separate storm sewer system

(3) To establish legal authority to carry out all inspection, surveillance and monitoring procedures necessary to ensure compliance with this ordinance

SECTION 2. DEFINITIONS.

For the purposes of this ordinance, the following shall mean:

Authorized Enforcement Agency: employees or designees of the City Manager of the municipal agency designated to enforce this ordinance.

Best Management Practices (BMPs): schedules of activities, prohibitions of practices, general good house-keeping practices, pollution prevention and educational practices, maintenance procedures, and other management practices to prevent or reduce the discharge of pollutants directly or indirectly to storm-water, receiving waters, or storm-water conveyance systems. BMPs also include treatment practices, operating procedures, and practices to control site runoff, spillage or leaks, sludge or water disposal, or drainage from raw materials storage.

Clean Water Act: The federal Water Pollution Control Act (33 U.S.C. § 1251 et seq.), and any subsequent amendments thereto.

Construction Activity: Activities subject to NPDES Construction Permits. Currently these include construction projects resulting in land disturbance of 5 acres or more. Beginning in March 2003, NPDES Storm Water Phase II permits will be required for construction projects resulting in land disturbance of 1 acre or more. Such activities include but are not limited to clearing and grubbing, grading, excavating, and demolition.

Hazardous Materials: Any material, including any substance, waste, or combination thereof, which because of its quantity, concentration, or physical, chemical, or infectious characteristics may cause, or significantly contribute to, a substantial present or potential hazard to human health, safety, property, or the environment when improperly treated, stored, transported, disposed of, or otherwise managed.

Illegal Discharge: Any direct or indirect non-storm water discharge to the storm drain system, except as exempted in Section X of this ordinance.
Illicit Connections: An illicit connection is defined as either of the following:
Any drain or conveyance, whether on the surface or subsurface, which allows an illegal discharge to enter the storm drain system including but not limited to any conveyances which allow any non-storm water discharge including sewage, process wastewater, and wash water to enter the storm drain system and any connections to the storm drain system from indoor drains and sinks, regardless of whether said drain or connection had been previously allowed, permitted, or approved by an authorized enforcement agency or,
Any drain or conveyance connected from a commercial or industrial land use to the storm drain system which has not been documented in plans, maps, or equivalent records and approved by an authorized enforcement agency.
Industrial Activity: Activities subject to NPDES Industrial Permits as defined in 40 CFR, Section 122.26 (b)(14)
National Pollutant Discharge Elimination System (NPDES) Discharge Permit: A permit issued by EPA (or by a State under authority delegated pursuant to 33 USC § 1342(b)) that authorizes the discharge of pollutants to waters of the United States, whether the permit is applicable on an individual, group, or general area-wide basis.
Non-Storm Water Discharge: Any discharge to the storm drain system that is not composed entirely of storm water.
Person: Any individual, association, organization, partnership, firm, corporation or other entity recognized by law and acting as either the owner or as the owner's agent.
Pollutant: Anything which causes or contributes to pollution. Pollutants may include, but are not limited to: paints, varnishes, and solvents; oil and other automotive fluids; non-hazardous liquid and solid wastes and yard wastes; refuse, rubbish, garbage, litter, or other discarded or abandoned objects, ordinances, and accumulations, so that same may cause or contribute to pollution; floatables; pesticides, herbicides, and fertilizers; hazardous substances and wastes; sewage, fecal coliform and pathogens; dissolved and particulate metals; animal wastes; wastes and residues that result from constructing a building or structure; and noxious or offensive matter of any kind.
Premises: Any building, lot, parcel of land, or portion of land whether improved or unimproved including adjacent sidewalks and parking strips.
Storm Drainage System: Publicly-owned facilities by which storm water is collected and/or conveyed, including but not limited to any roads with drainage systems, municipal streets, gutters, curbs, inlets, piped storm drains, pumping facilities, retention and detention basins, natural and human-made or altered drainage channels, reservoirs, and other drainage structures.
Storm Water: Any surface flow, runoff, and drainage consisting entirely of water from any form of natural precipitation, and resulting from such precipitation.
Storm-water Pollution Prevention Plan: A document which describes the Best Management Practices and activities to be implemented by a person or business to identify sources of pollution or contamination at a site and the actions to eliminate or reduce pollutant discharges to Storm-water, Storm-water Conveyance Systems, and/or Receiving Waters to the Maximum Extent Practicable.
Wastewater: Any water or other liquid, other than uncontaminated storm water, discharged from a facility.

SECTION 3. APPLICABILITY.
This ordinance shall apply to all water entering the storm drain system generated on any developed and undeveloped lands unless explicitly exempted by an authorized enforcement agency.

SECTION 4. RESPONSIBILITY FOR ADMINISTRATION.
The City of Davison shall administer, implement, and enforce the provisions of this ordinance. Any powers granted or duties imposed upon the authorized enforcement agency may be delegated by the City Manager of the authorized enforcement agency to persons or entities acting in the beneficial interest of or in the employ of the agency.

SECTION 5. SEVERABILITY.
The provisions of this ordinance are hereby declared to be severable. If any provision, clause, sentence, or paragraph of this Ordinance or the application thereof to any person, establishment, or circumstances shall be held invalid, such invalidity shall not affect the other provisions or application of this Ordinance.

SECTION 6. ULTIMATE RESPONSIBILITY.
The standards set forth herein and promulgated pursuant to this Ordinance are minimum standards; therefore this Ordinance does not intend nor imply that compliance by any person will ensure that there will be no contamination, pollution, nor unauthorized discharge of pollutants.

SECTION 7. DISCHARGE PROHIBITIONS.
Prohibition of Illegal Discharges.
No person shall discharge or cause to be discharged into the municipal storm drain system or watercourses any materials, including but not limited to pollutants or waters containing any pollutants that cause or contribute to a violation of applicable water quality standards, other than storm water.
The commencement, conduct or continuance of any non-authorized discharge to the storm drain system is prohibited except as described as follows:

(a) The following discharges are exempt from discharge prohibitions established by this ordinance: water line flushing or other potable water sources; landscape irrigation or lawn watering, and irrigation waters; diverted stream flows and flows from riparian habitats and wetlands; rising ground water and springs; uncontaminated ground water infiltration and seepage; uncontaminated pumped ground water except for groundwater cleanups specifically authorized by NPDES permits; foundation drains, water from crawl space pumps, footing drains and basement sump pumps (not including active groundwater dewatering systems); air conditioning condensation; waters from non-commercial washing of vehicles; street wash water; de-chlorinated swimming pool water from single, two, or three family residences; firefighting activities; and any other water source not containing Pollutants.
(b) Dye testing done under the authorization of the MDEQ (general Rule 97) is an allowable discharge, but requires a complete Notice of Intent to the MDEQ prior to the time of the test.
(c) The prohibition shall not apply to any non-storm water discharge permitted under an NPDES permit, waiver, or waste discharge order issued to the discharger and administered under the authority of the Federal Environmental Protection Agency, provided that the discharger is in

full compliance with all requirements of the permit, waiver, or order and other applicable laws and regulations, and provided that written approval has been granted for any discharge to the storm drain system.

Prohibition of Illicit Connections.

(e) The construction, use, maintenance or continued existence of illicit connections to the storm drain system is prohibited.
(f) This prohibition expressly includes, without limitation, illicit connections made in the past, regardless of whether the connection was permissible under law or practices applicable or prevailing at the time of connection.
(g) A person is considered to be in violation of this ordinance if the person connects a line conveying sewage to the MS4, or allows such a connection to continue.

SECTION 8. SUSPENSION OF MS4 ACCESS.

Suspension due to Illicit Discharges in Emergency Situations
The City of Davison may, without prior notice, suspend MS4 discharge access to a person when such suspension is necessary to stop an actual or threatened discharge which presents or may present imminent and substantial danger to the environment, or to the health or welfare of persons, or to the MS4 or Waters of the United States. If the violator fails to comply with a suspension order issued in an emergency, the authorized enforcement agency may take such steps as deemed necessary to prevent or minimize damage to the MS4 or Waters of the United States, or to minimize danger to persons.

Suspension due to the Detection of Illicit Discharge
Any person discharging to the MS4 in violation of this ordinance may have their MS4 access terminated if such termination would abate or reduce an illicit discharge. The authorized enforcement agency will notify a violator of the proposed termination of its MS4 access. The violator may petition the authorized enforcement agency for a reconsideration and hearing.

A person commits an offense if the person reinstates MS4 access to premises terminated pursuant to this Section, without the prior approval of the authorized enforcement agency.

SECTION 9. INDUSTRIAL OR CONSTRUCTION ACTIVITY DISCHARGES.

Any person or party subject to an industrial or construction activity NPDES storm water discharge permit shall comply with all provisions of such permit. Proof of compliance with said permit may be required in a form acceptable to the City of Davison prior to the allowing of discharges to the MS4. Also, see the City's adopted ordinance 2014-03, Chapter 1047.

SECTION 10. MONITORING OF DISCHARGES.

A. Applicability.

This section applies to all facilities that have storm water discharges associated with industrial activity, including construction activity.

B. Access to Facilities.

(a) The City of Davison shall be permitted to enter and inspect facilities subject to regulation under this ordinance as often as may be necessary to determine compliance with this ordinance. If a discharger has security measures in force which require proper identification and clearance before entry into its premises, the discharger shall make the necessary arrangements to allow access to representatives of the authorized enforcement agency.

(b) Facility operators shall allow the City of Davison ready access to all parts of the premises for the purposes of inspection, sampling, examination and copying of records that must be kept under the conditions of an NPDES permit to discharge storm water, and the performance of any additional duties as defined by state and federal law.

(c) The City of Davison shall have the right to set up on any permitted facility such devices as are necessary in the opinion of the authorized enforcement agency to conduct monitoring and/or sampling of the facility's storm water discharge.

(d) The City of Davison has the right to require the discharger to install monitoring equipment as necessary. The facility's sampling and monitoring equipment shall be maintained at all times in a safe and proper operating condition by the discharger at its own expense. All devices used to measure storm-water flow and quality shall be calibrated to ensure their accuracy.

(e) Any temporary or permanent obstruction to safe and easy access to the facility to be inspected and/or sampled shall be promptly removed by the operator at the written or oral request of the City of Davison and shall not be replaced. The costs of clearing such access shall be borne by the operator.

(f) Unreasonable delays in allowing the City of Davison access to a permitted facility is a violation of a storm water discharge permit and of this ordinance. A person who is the operator of a facility with a NPDES permit to discharge storm water associated with industrial activity commits an offense if the person denies the authorized enforcement agency reasonable access to the permitted facility for the purpose of conducting any activity authorized or required by this ordinance.

(g) If the City of Davison has been refused access to any part of the premises from which storm-water is discharged, and the City is able to demonstrate probable cause to believe that there may be a violation of this ordinance, or that there is a need to inspect and/or sample as part of a routine inspection and sampling program designed to verify compliance with this ordinance or any order issued hereunder, or to protect the overall public health, safety, and welfare of

the community, then the authorized enforcement agency may seek issuance of a search warrant from any court of competent jurisdiction.

SECTION 11. REQUIREMENT TO PREVENT, CONTROL, AND REDUCE STORM WATER POLLUTANTS BY THE USE OF BEST MANAGEMENT PRACTICES.

City of Davison will adopt requirements identifying Best Management Practices for any activity, operation, or facility which may cause or contribute to pollution or contamination of storm water, the storm drain system, or waters of the U.S. The owner or operator of a commercial or industrial establishment shall provide, at their own expense, reasonable protection from accidental discharge of prohibited materials or other wastes into the municipal storm drain system or watercourses through the use of these structural and non-structural BMPs. Further, any person responsible for a property or premise, which is, or may be, the source of an illicit discharge, may be required to implement, at said person's expense, additional structural and non-structural BMPs to prevent the further discharge of pollutants to the municipal separate storm sewer system. Compliance with all terms and conditions of a valid NPDES permit authorizing the discharge of storm water associated with industrial activity, to the extent practicable, shall be deemed compliance with the provisions of this section. These BMPs shall be part of a storm-water pollution prevention plan (SWPP) as necessary for compliance with requirements of the NPDES permit.

SECTION12. WATERCOURSE PROTECTION.

Every person owning property through which a watercourse passes, or such person's lessee, shall keep and maintain that part of the watercourse within the property free of trash, debris, excessive vegetation, and other obstacles that would pollute, contaminate, or significantly retard the flow of water through the watercourse. In addition, the owner or lessee shall maintain existing privately owned structures within or adjacent to a watercourse, so that such structures will not become a hazard to the use, function, or physical integrity of the watercourse.

SECTION 13. NOTIFICATION OF SPILLS.

Notwithstanding other requirements of law, as soon as any person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of any known or suspected release of materials which are resulting or may result in illegal discharges or pollutants discharging into storm water, the storm drain system, or water of the U.S. said person shall take all necessary steps to ensure the discovery, containment, and cleanup of such release. In the event of such a release of hazardous materials said person shall immediately notify emergency response agencies of the occurrence via emergency dispatch services. In the event of a release of non-hazardous materials, said person shall notify the authorized enforcement agency in person or by phone or facsimile no later than the next business day. Notifications in person or by phone shall be confirmed by written notice addressed and mailed to the City of Davison within three (3) business days of the phone notice. If the discharge of prohibited materials emanates from a commercial or industrial establishment, the owner or

operator of such establishment shall also retain an on-site written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three years.

SECTION 14. ENFORCEMENT.

Notice of Violation.

Whenever the City of Davison finds that a person has violated a prohibition or failed to meet a requirement of this Ordinance, the authorized enforcement agency may order compliance by written notice of violation to the responsible person or party. Such notice may require without limitation:

(a) The performance of monitoring, analyses, and reporting;

(b) The elimination of illicit connections or discharges;

(c) That violating discharges, practices, or operations shall cease and desist;

(d) The abatement or remediation of storm water pollution or contamination hazards and the restoration of any affected property; and

(e) Payment of a fine to cover administrative and remediation costs; and

(f) The implementation of source control or treatment BMPs.

If abatement of a violation and/or restoration of affected property is required, the notice shall set forth a deadline within which such remediation or restoration must be completed. Said notice shall further advise that, should the violator fail to remediate or restore within the established deadline, the work will be done by a designated governmental agency or a contractor and the expense thereof shall be charged to the violator.

SECTION 15. APPEAL OF NOTICE OF VIOLATION.

Any person receiving a Notice of Violation may appeal the determination of the authorized enforcement agency. The notice of appeal must be received within fifteen (15) days from the date of the Notice of Violation. Hearing on the appeal before the appropriate authority or his/her designee shall take place within 15 days from the date of receipt of the notice of appeal. The decision of the municipal authority or their designee shall be final.

SECTION 16. ENFORCEMENT MEASURES AFTER APPEAL.

If the violation has not been corrected pursuant to the requirements set forth in the Notice of Violation, or , in the event of an appeal, within fifteen (15) days (or sooner as necessary), of the decision of the municipal authority upholding the decision of the authorized enforcement agency, then representatives of the authorized enforcement agency shall enter upon the subject private property and are authorized to take any and all measures necessary to abate the violation and/or restore the property. It shall be unlawful for any person, owner, agent or person in possession of any premises to refuse to allow the government agency or designated contractor to enter upon the premises for the purposes set forth above.

SECTION 17. COST OF ABATEMENT OF THE VIOLATION.

Within forty-five (45) days after abatement of the violation, the owner of the property will be notified of the cost of abatement, including administrative costs. The property owner may file a written protest objecting to the amount of the assessment within fifteen (15) days. If the amount due is not paid within a timely manner as determined by the decision of the municipal authority or by the expiration of the time in which to file an appeal, the charges shall become a special assessment against the property and shall constitute a lien on the property for the amount of the assessment.

Any person violating any of the provisions of this article shall become liable to the City by reason of such violation. The liability shall be paid in not more than twelve (12) equal payments. Interest at the rate of (6%, 4%, and ½ % percent per annum as outlined in ordinance 248.12) shall be assessed on the balance beginning on the 1st day following discovery of the violation.

SECTION 18. INJUNCTIVE RELIEF.

It shall be unlawful for any person to violate any provision or fail to comply with any of the requirements of this Ordinance. If a person has violated or continues to violate the provisions of this ordinance, the authorized enforcement agency may petition for a preliminary or permanent injunction restraining the person from activities which would create further violations or compelling the person to perform abatement or remediation of the violation.

SECTION 19. COMPENSATORY ACTION.

In addition to enforcement proceedings, penalties, and remedies authorized by this Ordinance, the authorized enforcement agency may impose upon a violator, alternative compensatory actions such as storm drain stenciling, attendance at compliance workshops, creek cleanup, etc.

SECTION 20. VIOLATIONS DEEMED A PUBLIC NUISANCE.

In addition to the enforcement processes and penalties provided, any condition caused or permitted to exist in violation of any of the provisions of this Ordinance is a threat to public health, safety, and welfare, and is declared and deemed a nuisance, and may be summarily abated or restored at the violator's expense, and/or a civil action to abate, enjoin, or otherwise compel the cessation of such nuisance may be taken.

SECTION 21. CRIMINAL PROSECUTION.

Any person that has violated or continues to violate this Ordinance shall be liable to criminal prosecution to the fullest extent of the law, and shall be subject to a criminal penalty of five hundred dollars ($500) per violation per day and/or imprisonment for a period of time not to exceed Ninety (90) days.

The authorized enforcement agency may recover all attorney fees, court costs, and other expenses associated with enforcement of this Ordinance, including sampling and monitoring expenses.

SECTION 22. REMEDIES NOT EXCLUSIVE.

The remedies listed in this ordinance are not exclusive of any other remedies available under any applicable federal, state or local law and it is within the discretion of the authorized enforcement agency to seek cumulative remedies.

SECTION 23. ADOPTION OF ORDINANCE.

This Ordinance shall be in full force and effect ten (10) days after its final passage and adoption. All prior ordinances and parts of ordinances in conflict with this Ordinance are hereby repealed.

PASSED AND ADOPTED this ____ day of June, 2014 by the following vote:

CITY OF DAVISON
PLANNING COMMISSION
REGULAR MEETING MINUTES
May 13, 2014

PRESENT: Craig Carlton, Chris Hinkley, Gerald Kennedy, Mary Stearns, Carrie Baugher, Pat Stetson

ABSENT: Alex Fabian

STAFF PRESENT: Michael Hart, Barbara McCrea

OTHERS PRESENT: 6

1. CALL TO ORDER:
Chairperson Carlton called the meeting to order at 7:00 p.m.
He called for a moment of reflection in memory of the passing of Vice-Chairperson Richard Fridline.

2. APPROVAL OF AGENDA:
Motion made by Mr. Stetson, seconded by Mr. Hinkley, to approve the May 13, 2014 agenda as presented. **Motion carried.**

3. APPROVAL OF MEETING MINUTES:
Motion made by Mr. Kennedy, seconded by Mr. Stetson, to approve the meeting minutes as presented from March 11, 2014 and April 8, 2014. **Motion carried.**

4. PUBLIC COMMENTS & COMMUNICATIONS CONCERNING ITEMS ON THE AGENDA:
Lauren Holaly from Crim Fitness Organization presented information regarding the "Complete Street" concept, in an effort to have it included in the Master Plan.

Carol Caryl, 210 E. Rising St., spoke in regards to the Site Plan review for 101 S. Main St. She is concerned about the headlights from the parked transport trucks shining into her living room. She had to close her drapes.

5. NEW BUSINESS:
A. Site Plan Review for Bisbee Car Sales, 101 S. Main St., parcel #52-10-505-087:
Motion made by Mr. Stetson, seconded by Mr. Kennedy to approve the site plan for Bisbee Car Sales, 101 S. Main St., parcel #52-10-505-087, with the following conditions:
1. For the portions of the property within parcel #52-10-100-015, the railroad right-of-way, the applicant will need to describe to the City's Administration the current circumstance in which continued usage of the railroad property is permitted.

Applicant has stated that through their research, it has shown no known ownership of the property, and will continue to work on the matter.

2. Prior to seeking a building permit, the applicant must:
    a. Submit details for dumpster screening, conforming to either Section 1288.30, or to a standard approved by the ZBA (under a separate application for a variance request), within 18 months of receiving building permits.
    b. Submit a photometric plan. Applicant stated no additional lights will be added.
    c. All proposed signs shall demonstrate conformity to Chapter 1292 of the zoning ordinance and will require a separate sign permit. Applicant stated there will be no signs added.
3. Any changes to the existing fence must conform to ordinances.
4. Current ingress/egress is off Main Street; there is no loading/unloading for the business from Main Street proper. The applicant could obtain ingress/egress off of Rising Street with City Administrative approval. **Motion carried by unanimous roll call vote.**

6. UNFINISHED BUSINESS:

A. Master Plan: Postponed until next meeting, June 10, 2014

B. Dumpster Ordinance:
Motion made by Mr. Hinkley, supported by Mr. Stetson, to present to Council the attached proposed Dumpster Ordinance. **Motion carried.**

7. COMMITTEE AND SPECIAL REPORTS:

8. OTHER BUSINESS

A new Vice-Chairperson will be elected at the next meeting in June.

9. PUBLIC COMMENTS ON ITEMS NOT ON THE AGENDA:

10. NEXT SCHEDULED MEETING JUNE 10, 2014

11. ADJOURNMENT:

Motion made by Mr. Hinkley, seconded by Mr.Stetson, to adjourn the meeting at 8:53 p.m. **Motion carried.**

Craig Carlton, Chairperson

Barbara McCrea, Planning Commission Coordinator

DRAFT

1288.30 Screening Requirements for Solid Waste Collection Facilities

In order to minimize blight and maintain the health and safety of the community the following rules apply to all commercial solid waste containers, including grease collection, large enough to require a mechanical device to empty them.

1. Screening for solid waste containers shall be constructed so that all containers are not visible to a person standing on the ground. Screening shall not be portable or temporary. Minimum height of the screening shall be six (6) feet. Screening material should be attractive and maintained in good repair with economy of construction a goal. Chain link fencing with opaque slats is an acceptable screening material. All access gates shall be closed and secured when not in use.

2. If a solid waste container is not visible from areas normally used or seen by the public, it does not have to be screened.

3. The contracted user of the dumpster shall be responsible for maintenance of the screening and approach.

4. No solid waste container or its screening shall be a traffic barrier or hazard in any way including, but not limited to, obstruction and visibility. Vehicles or mechanical equipment used to empty solid waste containers must not block highway, street, ally, or pedestrian walkways when emptying, installing, or replacing solid waste containers.

5. Solid waste containers shall be located on a sufficiently solid surface that the emptying vehicle or mechanical device, regardless of weather conditions, will not disturb the surface upon which the containers are placed or the approach to the containers used by the emptying vehicle or mechanical device.

6. Solid waste containers used temporarily for special events do not require screening, but the solid surface requirements in item five (5) above apply. Users of temporary dumpsters shall notify the City of the purpose, placement and timeframe for temporary dumpsters. Temporary dumpsters shall not block traffic or visibility on any street, sidewalk or thoroughfare.

7. All dumpsters covered by this ordinance must be in compliance with the ordinance within one year of its effective date unless granted an extension by the building official for cause.

8. The portion of any ordinance that is in conflict with this ordinance is hereby repealed as of the effective date of this ordinance. This includes but is not limited to 1280.07 (e) and 1285.06.
