MICHIGAN'S PERMIT-BY-RULE FOR CONSTRUCTION ACTIVITIES

(National permit for storm water discharge from construction activity)
(Rule 323.2190)

This permit is separate from a Soil erosion and Sedimentation Control (SESC) Permit. If you meet all the requirements of the SESC permit you still may be required to comply with the above permit.

If you disturb between 1 acre and 5 acres of soil (as defined in the above rule) from a construction activity, you will be required to meet all the requirements of Rule 323.2190, but you will not have to apply for a permit.

If you disturb more than 5 acres of soil (as defined in the above rule) from a construction activity you will have to file with the department a notice of coverage pursuant to the provisions of Rule 323.2190, and meet all the requirements of Rule 323.2190.

Complete copy of this Rule can be found at:
