CITY MANAGER REPORT

I hope everyone had a nice Easter/Spring Break. Retention for 2020-2021 is complete. Wi-fi is available on Main Street from the Davison Hotel to the City. Absentee ballots have been sent and are being returned. I am working on potential additional funding for W. Clark. Court has extended their opening to May 10th due to COVID-19. Paperwork for the USDA grant money opportunities has been signed and turned in. Lockwood Dumpster issue is looking better and the signs in the ROW have been removed. I have requested the county (pc division) to place a counter in our park. It will be placed in the next few weeks, to see the number of people that walk and enjoy our trail system. Gary Gould and I have spoke a few times and the employee spotlight will commence soon. At future meetings we will be recognizing the Wrestling team and a few others from our community. We would love to see our council members work a car cruise or the festival parade. If you would like to volunteer, please see Jessica.
